Two men, as if hierarchically smaller, crouched on the floor beside the brazier; four, two at each end of the hut, drooped over tables in attitudes of extreme indifference. He writes: My suggestion is that what Abelard has to contribute to our thinking about the atonement is the idea that divine love, made manifest throughout the life of Christ but especially in his suffering and dying, has the power to transform human sinners, if they cooperate, in ways that fit them for everlasting life in intimate union with God.
