Protecting Civilians During Violent Conflict: Theoretical and Practical Issues for the 21st Century (Military and Defence Ethics)

The Great Leap Forward -60 and the Socialist Education Movement -65 sought to end deeply rooted academic elitism to narrow social and cultural gaps between workers and peasants and between urban and rural populations, and to eliminate the tendency of scholars and intellectuals to disdain manual labor. The writing is what you'd expect from someone who decides to do a little writing on the side mediocre.

Did we ever doubt our salvation. But, though the accident of birth, which excluded him from all field for energy and ambition, had thus directed the powerful mind of Almamen to contemplation and study, nature had never intended passions so fierce for the calm, though visionary, pursuits to which he was addicted. Angels both good and bad are amazed as they behold what the grace of God working in and through the church is accomplishing in human hearts and lives. Read the AAS

So let us know what you think, Thonatas. Reporting on Sexual Violence Poynter
all the darkest as well as the brightest of what I saw here
drew me, attached me-sometimes sorrowfully-to this land, to
these united peoples, to this unfamiliar climate which bestows
its blessings on the future and in which who knows what
unhoped-for flowers may blossom All this I had to leave.
