A few columns ago, I looked at the risks that lawyers take with their life and livelihood in some parts of the world, simply by going about their profession. I was really looking forward to working with this as I love ETL challenges, but I didn't get the position: they were affiliated with a university and could get grad students working for free, so I'll bet it became a much bigger mess before it improved. In questo libro troverai un gioco di ruolo completo di regole, racconti, magie, mostri, mondi di fantasia e avventure introduttive per iniziare subito a giocare. We appreciate your feedback.
