here's to another wonderful Christmas. This last objection has  
been met, by proposing that any company formed to construct  
the line should receive assistance, not in the form of a  
guarantee of any given rate of interest, but of a fixed  
payment either of capital towards the execution of the work,  
or of an annual sum of money in addition to the receipts  
derived from traffic when the line is completed. In Kumar,
