Schizophrenia: The Voices, they wont let me go. . . or will they?

Although the subject-matter moves despondently from one violation of human rights to another, the refrain remains largely constant the only changes being to the word or words which introduce it ; the final refrain, however, shows a complete change. It had been four months since my rescue and although I no longer cringed in my room every second of every day, I still felt like a shadow of .

Her Name Is Kaur: Sikh American Women Write about Love, Courage, and Faith
